TERM III

- School Snow Shoeing, Snow Craft & Winter Survival
- Learn the Essentials of Winter Safety & Survival
- K7 provides Snow Shoes and Poles and all Snow Craft Equipment
- Learn to Navigate in the Snow
- We organise transport or bring your school bus.
- We organise camping or dry accommodation

SPRING HOLIDAYS & TERM IV

- Arguably the best season for snow shoeing in the high country and Mt Kosciuszko Snow Shoe Trips.

Snow Shoeing **is very accessible for all people** and requires no special skills or fitness. *Everyone* can strap on a pair of snowshoes and find themselves out in the winter wonderland. An unforgettable experience! K7 also teaches *Winter Safety* so your students learn the basics such as clothing, avoiding hypothermia, what to take and who to tell where you are going! *Snow Craft & Snow Survival* is a little more in-depth and includes **navigation, equipment & camping**. K7 winter programs let you make the decisions for example we offer a range of accommodation options such as below snowline camping, dormitory or cabin accommodation or for more experienced students, build and stay in a snow cave or igloo (snow conditions permitting).

K7 Winter Programs are tailor made to suit school timetables and winter activities. Popular day programs include half day Snow Craft & Snow Shoeing combined with a fun afternoon on the Perisher Tube & Toboggan Park.
